AIM OF J.C.GROUP OF INSTITUTIONS

We are determined to offer a dynamic, interactive education environment that engages students in the learning process by providing constructive feedback to promote student self-assessment and motivation. We always focus on providing clear learning outcomes, detailed instruction, and appraisal for all courses to ensure course mastery and student success. We also aim to update ourselves with the prompt use of technology to create effective modes and means of instruction that expand access to successful learning.

AWARDS & ACHIEVEMENTS

5 REASONS

TO CHOOSE THE
SCHOOL OF
EDUCATIONAL
GROUP

- 1 A LEADING EDUCATIONAL INSTITUTE**
 Our courses are equipped with the latest professional knowledge. Our partners in industry and the professions contribute to course development and teaching. Our staff combines professional practice with teaching & research activity. All our courses also involve work based learning through projects, field-trips & workshops.
- 2 THE NECESSITY FOR CHANGE**
 Changes in the world challenge learning and education in the school. Changing society, work and education call for new ways of being human, doing, and mastering knowledge. New skills and competencies are important for individual futures and national welfare. We understand the importance of preparing students to live and succeed in globalized world. There is especially need for higher order skills and skills that value creativity, originality and thinking.
- 3 TEACHING PHILOSOPHIES**
 JC Group of Schools approaches the educational philosophies in classrooms ensuring a higher level of student success. They are Perennialism, Essentialism, Progressivism, and Reconstructionism. These educational philosophies focus heavily on WHAT we should teach the curriculum aspect.
- 4 MOTIVATION AND MEANINGFUL LEARNING**
 We help students to understand the necessity of learning which is related to the extensive skills required in life such as creativity, inventiveness, flexible thinking and new ideas. Our focus is to bring out each individual's own abilities and help them to develop. The support is given to allow them to make subject, educational and career choices based on their individual qualities & strengths.
- 5 Steps Forward**
 Questions relating to the future cannot only be solved on the basis of the present day. We look ahead – years into the future. By outlining the success factors of the education system, we target on the key areas of development measures.

TEAM OF J.C. GROUP

The Team of J.C. Group meets on the regular basis to discuss various changes that are required in the curriculum of courses as well as methodology for deliverance to keep the students at level with corporate expectations.

There has never been a more exciting time to embark on studies with the J.C. Group of Institutions. Our aim is to further develop the learning and support services that we provide to ensure that our students are well supported and have the opportunities to gain the skills to succeed in the global market place.

The one that matters most is the visionary behind the organization! All this could only happen through their undying commitment, untiring endeavors, rich experiences, as well as the wisdom acquired along the way.

BRAIN BEHIND THE CONCEPT

Mr. Kalpesh Shah - Managing Trustee
Shannen School Halol, SPS Bodeli

"Education is a progressive discovery of our own continuous efforts".
The aim of education should be to teach us rather how to think, than what to think----- rather to improve our minds so as to enable us to think for ourselves. A teacher is a person who connects well with students and understands their way of grasping the concepts more than the stereotypical old school teaching methods

Mr. Umesh Pandya
Dean Academics & Head HR

JC Group of Institutions is founded with a basic belief that education is the best and most cherished treasure that anyone can possess. It is that thinking, which has made it a flagship group in the educational world. While striving for students and society as a whole, BIMs creates global citizens with a sound value of honesty and integrity.

Ms. Shobha Dixit
Dean - SUA

A continuous training process under soft skills help students to foster their interpersonal skills as well as an ability to communicate using the right word to compliment hard skills and also to pace their potential in the ever demanding and fast growing global market. AT BIMs, we believe in grooming as standing out with outstanding qualities.

Ms. Nirmal Tandon
Principal - Shannen CBSE

A teacher is a complete package of emotions, knowledge, empathy, discipline and motivation, who is always on feet to serve their students. The way a teacher influence a child in their life is different in different phases, depends on situation. So, a teacher is second Mother of a child.

Ms. Rashmi Purohit
Principal - Sapphire Global School

The profession of the teaching is very much harder and the teacher works harder to come up with great ideas. To be a successful teacher follow the excellent ethics and guide your students in achieving their goals.

Principal - Shannen The World School
"Together we can and we will make a difference"!

There are three role models in the life of a student - Parents, teachers & the School. Parents are the one who inspires their ward to go out & conquer the world.

Teachers shoulder a huge responsibility of giving ideal student, who are the future of the nation. We at JC Group leave no area untouched for the development of a child. Every single child has something they are good at. That's the opportunity & education we provide. Let's - Care, Improve, Smile.

“ THE TUTORS ARE GREAT IN MIXING THEIR PRACTICAL AND ACADEMIC KNOWLEDGE IN THE SUBJECT AREAS. THEY ARE VERY SUPPORTIVE AND EASILY APPROACHABLE ”

Principal - Shannen School, Halol

"A teacher effect eternity, he/she can never tell where his /her influence stop" - Henry Adams.

A good teacher can inspire hope, ignite the imagination and instill a love of learning. Teaching is the greatest act of optimism.

Mrs. Manali Thakkar
Principal - Shannen School GSEB, Fatehgunj

Education is to construct an active citizen by value added information and positively influencing the Teachers and Students to excel towards their inherited SKILLS AND GOALS.

Ms. Duby Guru
Principal - Sapphire Public School

A teacher should be an infinite canvas with visible rainbows of various orders and possessing a smiling outlook. She is supposed to be a stream of resource full of enthusiasm to spread the fragrance of wisdom to the minds of young generations.

MESSAGE FROM THE CHAIRMAN

I welcome you in the wonderful world of "JC Group of Institutes". We have excellent highly qualified teachers/mentors, experienced with a profound sense of belongingness commitment and integrity. We include in the heart, minds and soul of our students the radiant reality: "Careers are crafted with care and not by merely luxuriating in rosy dreams".

As an established institution, we maintain an utmost academic standard, incorporated with the conduct of discipline, thereby achieving remarkable and excellent percentage of results. We firmly believe that education is the key to a nation's progress.

"The hard work of today is the triumph of the future. The time and effort you spend today are the deciding factors of your later years."

As the chairman of this institution, I anticipate the full participation and cooperation of the students and parents to make it possible for us to transform their dreams to reality. And if there is any assistance that you might need; may it be personal or professional, I shall always be willing to hear from you.

I wish you all the best!

Sunil Dalwadi
Chairman
JC Group of Institutes

MESSAGE FROM MD

"Welcome to **JC Group of schools**, a place where diversity, innovation, academic excellence and global awareness come together to deliver an exceptional school experience"

Anyone who educates, impart knowledge is a Teacher. School is a foundation of education where teacher holds the responsibility to mould young minds, help them climb each steps of knowledge and become successful.

For us educating children is a great responsibility and privilege in equal measure. To make it work, we need to put a lot in. This begins with seeding the desire for lifelong learning in every student.

Our goal is for student to finally outgrow us. We want them to become ready and able to take the next step, secure in the knowledge of who they are, and what they do best. Ours is the care in preparation. Theirs is to go out and make a difference.

OUR CONVICTION

An ARTIST who Inspires Creativity

A GOOD TEACHER IS A DOCTOR who heals Ignorance &

School is the foundation of a child's future and teachers are the architects of this foundation. They do not only impart knowledge but also play a pivotal role in molding a child. They are guides, mentors and counselors of our students.

JC Group of school have well-trained and experienced teachers.

Visiting teachers from renowned schools in India and abroad will come and teach under teacher-exchange programs.

CURRICULUM & AFFILIATION

The teaching process focuses on the professional growth of the teachers that would be integrated with the curriculum through the analysis of the concepts, customize resources kits and use of technology. The teaching process is customized to suit the needs of the learners with the emphasis on various skills.

We have schools affiliated with CBSE (Central Board of Secondary Education) as well as GSEB (Gujarat Secondary and Higher Secondary Education Board).

We mostly follow the curriculum of NCERT in GSEB Schools which gives the students in-depth understanding about complex subjects. By comparing and contrasting the linguistic structures and features, learners can also better understand their native language.

Grading is based on both scholastic and co-scholastic areas.

LEARNING FACILITIES

Building

A splendid architecture, reflecting student's imagination and a concern for convenience, the school building is as awe inspiring as it can get. The school is packed with tremendous facilities.

Class Rooms

Large, spacious classrooms with fewer students become an ideal place for the students to give a flight to imagination. The positive vibes that one can feel within the walls can make learning fun and enlightening, which they are encouraged to do so!

Indoor and Outdoor space to encourage all Games and Sports

The School's spacious grounds are attractively landscaped, creating a welcoming environment and providing pleasant place for pupils.

Smart classes/ Multimedia Facilities

Teaching through the latest pedagogy, is the on-going motto of the School. All the teachers are trained to teach through smart class, to make teaching enjoyable and refreshing. Computer aided learning system is introduced for pre-primary to Std 10.

Activity/Learning Center

To nurture the talent of each JCian, the school has made extensive arrangements that enable the students to master in co-curricular activities. The school provides a rich variety of activities namely as a club like Arts and craft club, Music club, Dance club, Karate and yoga classes for meaningful engagement depending on their needs and interests.

A GREAT ENVIRONMENT FOR STUDY

Today the role of a school is not only to impart knowledge that encompasses the prescribed syllabi of the institution but of the world beyond the classroom. It is the role of the school to build and strengthen character that will not crumble when tested in the crucible of adulthood, and to develop qualities of good leadership that can be employed in the future for the creation of a super Nation.

BOOSTING UP CHILD'S CURIOSITY FOR LEARNING BY PROVIDING VARIOUS METHODS OF STUDY

JC Group's new horizons have developed a fresh perspective on education to enhance the value and quality of education.

THE CORUNDUM OF KNOWLEDGE

A well equipped spacious playground and school-owned transport facility ensure that the prerequisites for a safe and joyful childhood are provided.

Individual Attention:

Individualized attention is probably one of the most important implications of a small class-size. The strengths and weaknesses of a child can be discovered by the educators here.

Self Confidence Building Program:

Compulsory activities and competitions like oration, rhymes, recitation, story telling, drawing, colouring are organized to make each and every child try his hand on all aspects and gain confidence.

Learning beyond classrooms:

Learning becomes much more effective and relevant through hands on experiences, dramatizing the concepts learnt, applying the learning in real life experiences.

Various educational Field Trips are organized related to the topic helping out the students in clearing the concept and create love for learning. That is why we say learning beyond classroom.

BEYOND ACADEMICS

SCHOOLS ACADEMY

Sports Academy

Play is essential part of life. The social, emotional, cognitive and physical well being of children begins in early childhood. Playing sports has many benefits like physical growth and development, building in stamina, developing eye hand coordination, self esteem and confidence.

In today's technically advanced world children spend more time in front of TV, Computers and video games so we at JC Group of Schools give equal importance to sports to help children to maintain balance in life.

Music Academy

Music is a therapy. The gift of learning music is lifelong and something very special. It is an effective powerful medium for our students for self exploration, self expression and turning into the inner soul.

Dance Academy

Dance is movement with beats and music. Dance helps to enhance physical and gross motor skills. It also helps to develop listening skills as well as eye and hand coordination.

Mother's Academy

It will include sessions for the mothers to learn, to generate and be creative. The sessions of MOTHER'S ACADEMY would be held to help mothers indulge into creative and innovative activities when their children's are busy with their sessions.

Art and Creation

Art and Drawing is one of the important parts of life as it helps children to express their feelings and understanding of the world. Art and Drawing not only provide the basis for other creative activities like painting, printing etc but it also helps in learning concepts of language and numbers.

INNOVATIVE PROGRAMS

Broadcast Channel

Broadcast channel is an innovative programme started by JC Management to reach to all the parents. It encourages and gives a platform to the students at school level to boost up their confidence and communication skills.

Abacus

Abacus learning promotes the whole brain development by stimulating both sides of the brain using an innovative visual arithmetic program by utilizing the tool Abacus. It helps in learning to perform mental calculations quickly and accurately.

Robotics

Robotics provides a set a set of experience to the students and facilitates their development of knowledge, skills and attitude for the design, analysis, application and operation of robots. Students question, solve problems and design solutions that potentially have real world value.

Home Science Lab

Home science is a scientific course of study which moulds a student with a variety of life skills. This is a unique discipline with a blend of science and art irrespective of gender of Students.

ENGLISH LANGUAGE CENTER

The unique modules - I TOO, I PERSONA, I BELIEVE developed by us, carefully focus on the need and importance of learning the English language as an essential tool to communicate in current time. We aim to help our young learners become more independent, reflective and well equipped with the skills required for learning English language through practicing different language drills as well as other academic skills. First of all, it being the Language of International Communication, students of all the different age groups are taught and encouraged to learn English to pace with the modern education system as it expands the horizon for advanced knowledge.

I TOO – For Pre-Primary to Grade 5th

"I TOO" is a series of efforts we need to put forth to support our tender brains to stand straight with their own uniqueness. The perception of "I TOO" module is to inspire, boost, confidence among young students to go ahead facing the challenges of day to day life with the preparation of surpassing the several milestones yet to come.

The children will earn and enhance their own self through:

- I-STAGE (talent shows, drama, skits, film appreciations, singing, storytelling, etc.)
- I-SOCIAL (participating social as well as environmental awareness programs)
- I-SPORTS/TALENT (non-conventional games, indoor as well as outdoor games)
- I-COMPETE (quiz comp, debate, elocution comp. etc.)
- I-CLUB (team building activities, event associating teams)

I-PERSONA – For Grades 6th to Grade 12th

The rationale behind this endeavor is the recognition of the multifaceted potential of the students. The objective of I-PERSONA is to bring about enhancement in the personality with regard to the different behavioral dimensions that have far reaching significance in the direction of individual's effectiveness.

I-PERSONA includes activities that in prove awareness and identity, develop talents and potential, enhance quality of life and contribute to the realization of dreams and aspirations.

Students will have the learning experience in & out of the classroom environment to develop their skills under the umbrella of:

- I-Unique (Activities encouraging their thought process like Think out of the box)
- I-Stage (Nourishing their presence of mind like extempore)
- I-Brain (Different activities to increase their knowledge through quiz etc.)
- I-Analyze (Increasing their observation & perception power)

I – BELIEVE – For Graduate and Post Graduate Programs

"I" is the map which will guide the tough roads that lays head of our very talented students. The purpose of the launch of "I" dept are as follows:

- To introduce a unique pattern of imparting soft skills in the youth of today's generation.
- To make the whole syllabus activities and interactions oriented to enhance the students' interest and expectations.
- To provide students the ultimate satisfaction & confidence which they expect while undergoing sessions pertaining to personality grooming.
- To help explore the students the importance of their own hidden potentials & undiscovered own self.
- Learning from the past experiences, taking corrective measures.

I ...believe
I am incredible

EXPERIENTIAL LEARNING APPROACH

"Kuch Hut Ke BUSINESS Karega BADSHAH Banega"

In today's cut throat competition the students have to make sincere efforts to acknowledge their identity as they are smart students of modern era,

Business Badshah is an activity which is being conducted among the students of JC Group to develop their entrepreneurial talent.

Hence participants for this competition will be the students of college as well as grade 11th & 12th. participants for this competition will be the students of college as well as grade 11th & 12th.

This experience will enable the students to harness their business talent and help them become the future front runners in the area of business.

Focus To discover the entrepreneurs for future competitive market. To make the buddies experience the real essence of competitive business in the corporate world.

- Learning listening skills.
- Last but not the least GAINING CONFIDENCE.

For true integrated growth to take place our students' physical self must be systematically developed. Sports facilities include indoor games and outdoor games. The sports curriculum is designed according to the needs of the different age groups.

Indoor Games: Table Tennis, Chess, Carrom Board, etc. Outdoor Games: Badminton, Cricket, Volley Ball, Foot Ball, Basket Ball, Athletic Games, etc. Various recreational games and track events are also organized during sports week.

HOUSE SYSTEM

JC Group of Schools believes in providing a homely culture to help its students to shape and mould themselves well for their future.

The House System provides opportunities for students to develop all aspects of their growth and learning: personality, morality, creativity, knowledge and skills. The system promotes values of fair play, teamwork, citizenship, mutual responsibility, self-discipline, initiative, perseverance and resilience.

Participation in House activities contributes to excellence in academic, social, sporting and cultural fields.

Throughout the year, students receive points which contribute to the house competitions. Your child will receive house points as rewards for things such as good behavior, good work, and good attitude. You can also win extra points for your house through house events:

- Sports Day
- Spelling Bees
- Quizzes
- Parent and Child Competitions
- Art and design competitions
- Creative challenges – such as our “build a world landmark” competition
- Public speaking

"Great teachers help create great students"

It is obvious that the development of any society depends much on education and quality education outcomes are dependent upon the quality teachers who are the main actors in the teaching and learning process.

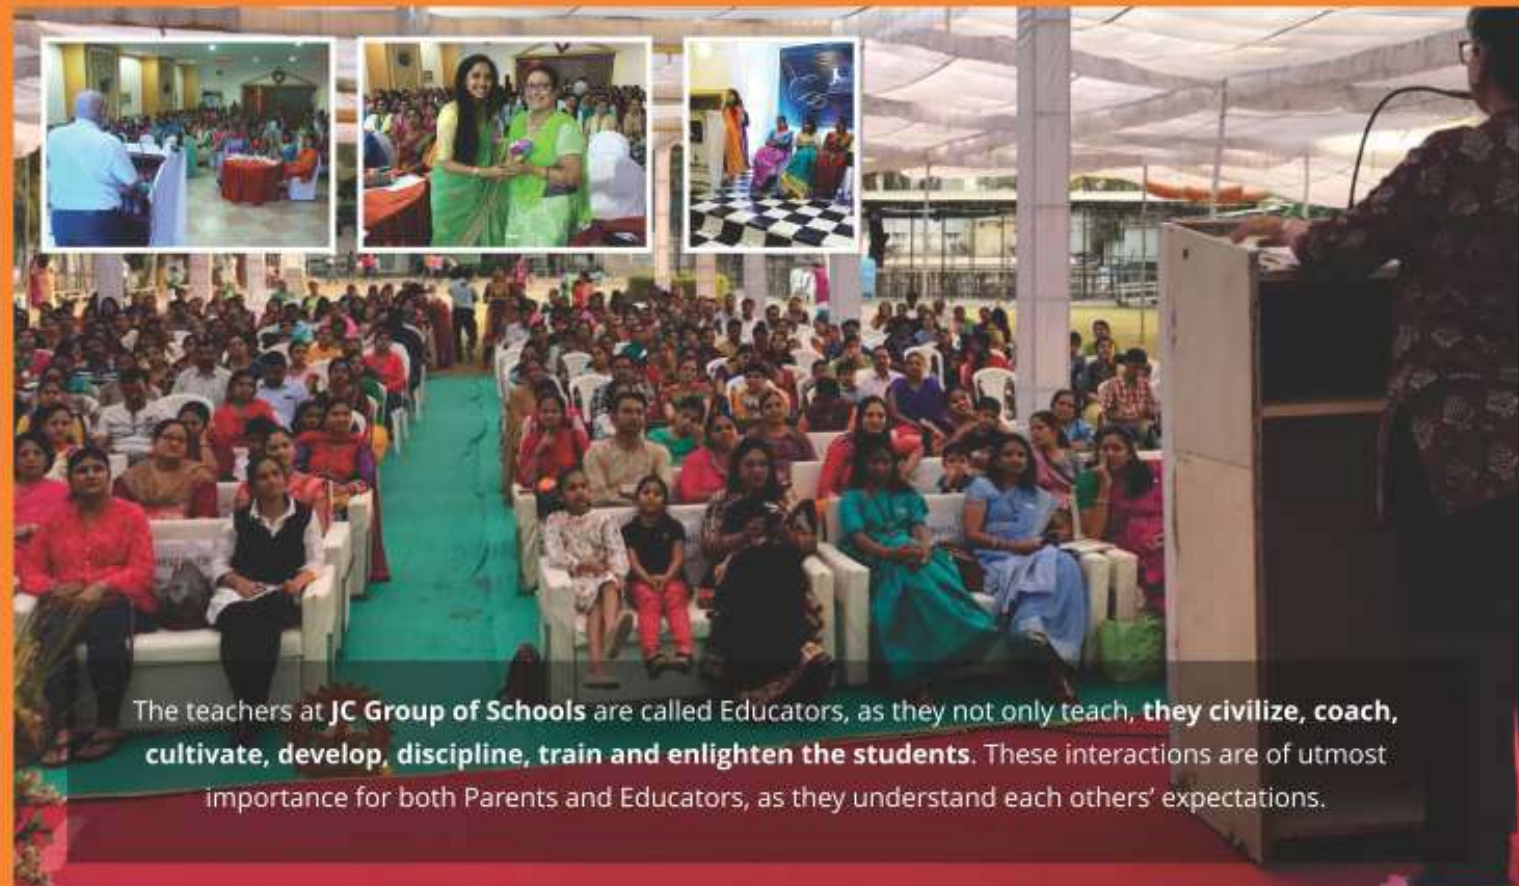

Hence, we at JC Group, having recognized this crucial element of teachers' development, offer a wide range of well-designed and innovative Teacher Training modules to our teachers, that emphasize subject-matter mastery and hands on experiences to them under the guidance of experienced facilitators on regular basis.

Consistence learning and practicing through these teacher development programs, our teachers become better facilitated with content knowledge, increased use of educational technology, creation of lesson plans that aim to develop Higher Order Thinking Skills, classroom management techniques, behavioral management strategies, time management, inculcating effective study skills, Identifying Learning Disabilities in children along with innovative and contemporary methods of teaching.

Parent Partnership Programme

At JC Group of Schools, we believe that, when families are involved in the education of their children, that they tap into their full potential and develop a positive and healthy attitude towards learning. Our Parent Partnership Programme is key to the success of our joint efforts, and is founded on frequent and open communication, mutual respect and a clear understanding of each child's needs. Few unique initiatives under this Programme are:

- Parent orientation
- JC's News Bulletin
- Saturday connections
- Individual Parent counseling sessions
- Parenting Workshops
- Parent-Teacher Collaboration days
- Grandparents, Mama and Papa Day
- Open house
- Parent as Volunteers and
- Parents as resources
- Graduation day

The teachers at JC Group of Schools are called Educators, as they not only teach, **they civilize, coach, cultivate, develop, discipline, train and enlighten the students.** These interactions are of utmost importance for both Parents and Educators, as they understand each others' expectations.

NGO FELICITATION BY JC GROUP

Supported by donating educational text books and other study materials for poor and under privileged children Likewise every year it is our tradition to support any local NGO, who works in the field of education for poor and under privileged children. We honor such NGOs for their noble cause.

BUILDING COMMUNITY BY

• WHAT WE OFFER.....

Shannen the world school under the management of J.C Group delivers world class holistic education to its students. This modern amenity offers ample space and facilities to give every student the freedom to explore and create their own domain of legacy. Another feather in its cap is the school's outsource-house kitchen ensuring a daily supply of hygienically prepared, hot and nutritious snacks for children of kindergarten to class II.

• INTEGRATED CURRICULUM

The curriculum is designed that caters to the educational needs of students by identifying their talents in various sports, cultural, scholastic and other co-scholastic areas.

• TEACHING PEDAGOGY

Teacher are here as a guide a mentor and a friend helping them to fight their battles and live their dreams. Developing a positive attitude with continuous growth in students is always at the heart of every teacher, they have a progressive approach towards evolving new and innovative teaching aids and we make sure that positive attitude is sustained through workshops, programs, training, seminars and other activities on frequent basis.

• EVALUATION

An important area where STWS strengthen every child's learning curve. It is a continues and comprehensive process and goes on through the teaching years. Keeping in mind the academic requirements assignments are given on a regular basis. Every child is closely observed and monitored for extra-curricular abilities.

• PARENTS AS PARTNERS

Parent-teacher meetings provide an opportunity to discuss each child's development. It is an important tool for parents to be aware about their child's academic performance. We firmly believe "Together we can and we will make a difference". It is our intent to give partners what they deserve for their child- THE BEST!

• SHANNEN SCHOOL – AMIT NAGAR

Shannen School - Amit Nagar has been an impetus to maintain a continuum of quality education and grown with every accreditation and autonomy status. The academic autonomy has allowed the institution to foray into high realms of education.

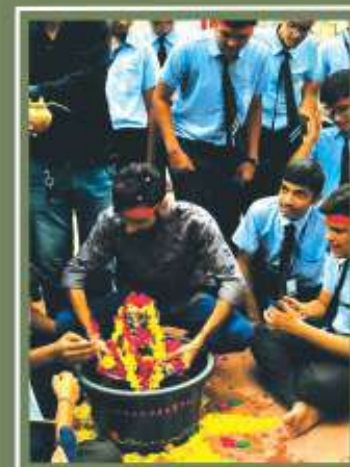

It is an educational institution designed to provide learning spaces and learning environments for the teaching of students under the direction of teachers.

We are an academy of community with learners including students, parents and staff who are dedicated in creating an academically rigorous, culturally caring and inclusive learning environment.

• OUR APPROACH TO TECHNOLOGY

Technology has impacted every aspect of our lives. We believe that for the future-readiness of our students, classroom environment needs to mirror the environment of a modern workplace. Hence, technology in classrooms is not a luxury but the need of the hour. We have implemented a comprehensive technology integration program to make learning highly relevant, more engaging, and deeply personalized.

Sapphire

Global School

- ▲ The blue expanse of the sky with all its vastness is represented by the blue oval-shaped sapphire. As the blue sky is limitless and immeasurable so is knowledge and learning. One is never too late to awaken to the fact 'learning is an never ending life long process.

- ▲ The green leaves at the base signifies however high we might fly, the nature alone with all its greenery breathes life to our existence.
It also reminds us of our responsibilities/duties towards our planet. Our Peace, Progress and Prosperity solely depend on our awareness towards conservation of THE MOTHER EARTH.

- ▲ The bright yellow ring indicates the golden effulgence of the sun which radiates its resplendence throughout the planet without discrimination Commitment to disseminating education and dispelling the darkness of ignorance globally.
- ▲ The white imprint of hands below the yellow ring is the indicative of our support and allegiance to universal values of peace, harmony and love.

A high achieving multicultural community for learning.

પરંપરાગત આધુનિકતાના શિક્ષણ સાથે જે.સી.ગ્રુપ સંચાલિત શાળાઓ શ્રેષ્ઠતાની શોધ તરફ આગળ વધી રહી છે. જે.સી.ગ્રુપ સંચાલિત શાળાઓ માને છે કે શિક્ષકો અને તેમની શિક્ષણ પદ્ધતિની ગુણવત્તા એજ એક શ્રેષ્ઠ અને ગુણવત્તાસભર શિક્ષણ માટે જવાબદાર છે. ઇન્ટરએક્ટીવ અભિગમ ધરાવતા અત્યંત અનુભવી શિક્ષકો તાજેતરની શિક્ષણ પ્રણાલી સાથે ભણતરમાં વર્કશોપ પરીસંવાદો દ્વારા તાલીમ આપીને એક શ્રેષ્ઠ માર્ગદર્શક સાબિત થાય છે. અમારા શિક્ષકો આજની શૈક્ષણિક જરૂરિયાત પ્રમાણેની લાયકાત ધરાવે છે. આ શિક્ષકો એક શિષ્યકાર જેવા છે જે શાળાના વિદ્યાર્થીઓને પોલીસ કરીને કાયમંડ બનાવે છે. તેઓ શાળાના વિદ્યાર્થીઓ માટે એક સાચા અર્થમાં મિત્ર, તત્વજ્ઞાની અને માર્ગદર્શક છે.

શાળામાં બાળકોને ગમ્મત સાથે જ્ઞાનની મજા સારી રીતે લઈ શકે તેનું પૂરેપૂરું ધ્યાન રાખવામાં આવે છે. સફાયર સ્કુલમાં બાળકો માટે રેમીડીયલ વર્ગ પર પણ વધુ ભાર મૂકવામાં આવે છે. અહીંયા સ્કુલમાં માત્ર એક જ ધ્યેય છે જેમ કે સ્કુલમાં શિક્ષકો ઉપર ખુબ જ ધ્યાન રાખવામાં આવે છે કેમકે જ્યારે સ્કુલમાં શિક્ષણ સજાગ હશે ત્યારે જ તે બાળકો પર વિશેષ ધ્યાન આપી શકશે. તેમજ સફાયર સ્કુલમાં જો કોઈ શિક્ષક ને પણ નવા શ્રેષ્ઠ વિચાર હોય તેમજ વાલીઓ દ્વારા આપવામાં આવતા સુજાવનો માલ્ય રાખીને તેનો તરતજ જ અમલ કરવામાં આવે છે.

સુદૃઢ મેનેજમેન્ટ માટે સમગ્ર દાહલે જીલ્લામાંથી એક માત્ર સ્કુલની પસંદગી કરવામાં આવી અને અંતરરાષ્ટ્રીય “AKS Global High Performing School 2018” ના નામથી એવોર્ડ આપવામાં આવ્યો.

અદ્યતન વર્ગખંડ

સ્વરણ, હવાઉજાસ અને પચાપ્ત સૂર્યપ્રકાશ ઘસાવતા વિશાળ વર્ગખંડો શાળાની આગવી ઓળખ પ્રસ્થાપિત કરે છે, જ્યાં ગુણવત્તા યુક્ત શિક્ષણપ્રદાનો હેતુ સિદ્ધ થાય છે. શૈક્ષણિક ટેકનોલોજી અને ભૌતિકસુવિધાઓથી સજ્જ એરકન્ડીશન વર્ગખંડોમાં બાળકો અને શિક્ષકો અનુકુલન સાધી શકે તેવી સુંદર વર્ગ વ્યવસ્થા છે.

કમ્પ્યુટર વર્ગખંડ

ધો. ૮ થી ૧૨ કમ્પ્યુટર વિષયના તમામ સોફ્ટવેર તથા હાર્ડવેર તથા એલ.સી.ડી મોનીટર યુક્ત કમ્પ્યુટર સાથેની LAN તથા WiFi ઇન્ટરનેટ કનેક્ટીવિટી ધરાવતી અદ્યતન પ્રયોગશાળા.

પ્રયોગશાળા

સૈદ્ધાંતિક જ્ઞાનની ચકાસણી પ્રયોગશાળાથી થતી હોય છે. પ્રયોગથી શોધ આકાર પામે છે. દુનિયા નવીન શોધાથી પડકારમુક્ત અને સુવિધાસભર બને તેવા હેતુસર શાળામાં અત્યાધુનિક વિજ્ઞાન પ્રયોગશાળાઓ ઉપલબ્ધ છે.

રમત ગમત

" તંદુરસ્ત તનમાંજ તંદુરસ્ત મન રહેતું છે " એ વિચારધારાને ઉજાગર કરવાના આશયથી વિવિધ રમત ગમતની પ્રવૃત્તિઓ પણ શિક્ષણનાં એક અવિભાજ્ય અંગ તરિકે સ્થાન આપવામાં આવે છે.
