# BRAIN BEHIND THE CONCEPT

**Mr. Kalpesh Shah - Managing Trustee**  
Shannen School Halol, SPS Bodli

"Education is a progressive discovery of our own continuous efforts".  
The aim of education should be to teach us rather how to think, than what to think—rather to improve our minds so as to enable us to think for ourselves. A teacher is a person who connects well with students and understands their way of grasping the concepts more than the stereotypical old school teaching methods.

**Mr. Umesh Pandya**  
Dean Academics & Head HR

JC Group of Institutions is founded with a basic belief that education is the best and most cherished treasure that anyone can possess. It is that thinking, which has made it a flagship group in the educational world. While striving for students and society as a whole, BIMs creates global citizens with a sound value of honesty and integrity.

**Dean - SUA (State Universal Academy)**

A continuous training process under soft skills help students to foster their interpersonal skills as well as an ability to communicate using the right word to compliment hard skills and also to pace their potential in the ever demanding and fast growing global market. At BIMs, we believe in grooming as standing out with outstanding qualities.

**Principal - Shannen CBSE**

A teacher is a complete package of emotions, knowledge, empathy, discipline and motivation, who is always on feet to serve their students. The way a teacher influence a child in their life is different in different phases, depends on situation. So, a teacher is second Mother of a child.

**Principal - Sapphire Global School**

The profession of the teaching is very much harder and the teacher works harder to come up with great ideas. To be a successful teacher follow the excellent ethics and guide your students in achieving their goals.

**Principal - Shannen The World School**  
"Together we can and we will make a difference"

There are three role models in the life of a student - Parents, teachers & the School. Parents are the one who inspires their ward to go out & conquer the world.

Teachers shoulder a huge responsibility of giving ideal student, who are the future of the nation. We at JC Group leave no area untouched for the development of a child. Every single child has something they are good at. That's the opportunity & education we provide. Let's - Care, Improve, Smile.

**Principal - Shannen School GSEB, Fatehgunj**

Education is to construct an active citizen by value added information and positively influencing the Teachers and Students to excel towards their inherited SKILLS AND GOALS.

**Principal - Sapphire Public School**

A teacher should be an infinite canvas with visible rainbows of various orders and possessing a smiling outlook. She is supposed to be a stream of resource full of enthusiasm to spread the fragrance of wisdom to the minds of young generations.

**" THE TUTORS ARE GREAT IN MIXING THEIR PRACTICAL AND ACADEMIC KNOWLEDGE IN THE SUBJECT AREAS. THEY ARE VERY SUPPORTIVE AND EASILY APPROACHABLE "**

**Principal - Shannen School, Halol**

"A teacher effect eternity, he/she can never tell where his /her influence stop" - Henry Adams.

A good teacher can inspire hope, ignite the imagination and instill a love of learning. Teaching is the greatest act of optimism.

# CONVOCATION

## LIFE OUTSIDE THE CLASSROOM

When it comes to the student experience, we feel that what happens outside the classroom is just as important as what happens inside. With that, we are committed to attract and retain students who reflect our institutional values and those of our community including the importance of having respect for others and the creation of a positive relationship between students, faculties, staff, administration and the community.

## FELICITATION OF LEADING EDUCATIONALISTS

This is a proud tradition of J.C. Group to recognize the prominent personalities from the education fraternity and to felicitate these pillars of knowledge to proclaim the appreciations for their great contribution and add value to their real matchless worth and efforts.
